

Request for Information (RFI)
For
Durable Medical Equipment Retrieval, Refurbishing and
Redistribution Program

Questions and Answers

1. Question: What type of sanitizing of equipment is required and/or methods?

Response: We are hoping to get information regarding this in RFI responses.

2. Question: Will Non-Medicaid people be eligible to receive equipment?

Response: This is being considered.

3. Question: What extent of re-furbishing of equipment?

Response: Repair or replacement parts if needed. Bring back up to new condition for re-distribution.
